

M.ZUIKO DIGITAL ED 75-300MM F4.8-6.7 II AT F6.3, 1/800, ISO 200

A SUPER-TELEPHOTO

designed to make long-distance subjects seem like they're close enough to touch, this is the glass you want for shooting sports, nature and wildlife. Yet despite its incredible power, with a 35mm equivalent of 600mm at full extension, this is a surprisingly portable lens that fits comfortably in your camera bag.
