\*Based on compensation performance equivalent to 5 shutter speed steps

## OM-D E-M5 MARK II ACCESSORIES

### **POWER BATTERY GRIP HLD-8**

The HLD-8 is a weatherproof, power battery holder designed specifically for the E-M5 Mark II that enhances both camera grip and power supply. The kit includes the HLD-8G grip and the HLD-6 power battery holder. The HLD-8G features an alternate shutter release button and a headphone jack for audio playback, as well as contacts and a locking dial for secure connection to the camera. The HLD-6P accepts an extra BLN-1 battery and offers a vertical-shooting shutter release and a control dial, along with a function lever and two built-in function buttons that can be programmed independently of those on the E-M5 Mark II.

Retail \$279.99

### **BLN-1 RECHARGEABLE LITHIUM-ION BATTERY**

Replacement battery for the E-M5 Mark II and HLD-8 grip. Battery features 1220mAh.

Retail \$59.99

### **LEATHER CAMERA STRAP CSS-S119L**

This shoulder strap is made of extra-soft, high-quality leather and has attachments loops allowing you to attach camera accessories to the strap. The strap has been treated with a water repellent solution to prevent damage from moisture.

Retail \$79.99

### **FL-900R FLASH**

Weatherproof, high-intensity flash boasts a guide number of 58 meters (at ISO 100) and covers a wide range of focal lengths with an electronic zoom head. The built-in 1.5w LED light in the FL-900R is a useful tool as both a continuous source for video shooting and as a focus assist light when shooting stills. One-touch on/off control lets you quickly access 100 Lux power (at 1m) when you find yourself in low light situations.

Retail \$579.99

### **LARGE EYECUP EP-16**

Detachable large rubber eyecup helps to block external light making the viewfinder easier to use. Supports all eyes even when wearing glasses

Retail \$22.99

### **CAMERA BAG CBG-10**

The stylish and compact design of this camera bag underlines the compact design of your OM-D or PEN camera. The spacious interior of this bag allows you to easily store your camera body with its power battery grip and lens attached, securely protected by the extra padded inner segmentation which is removable. A front zippered pocket allows you to store small items like lens caps, memory cards, etc. Two outside pockets perfectly fit extra equipment and an extra pocket holds your tablet PC safely. This camera bag also features an adjustable shoulder strap and integrated rain cover and measures 13.8" long by 9.4" high x 6.3" deep.
